APPETITE GUIDE

# THE CORE SPECIALTY ADVANTAGE

Core Specialty provides Workers' Compensation coverage for a range of industries, from energy and maritime businesses to high-hazard operations with the potential for severe injury. We also cover cross-state, multijurisdictional exposures in a single policy.

We have the knowledge and expertise to help businesses with unusual exposures maximise value from even the most complex risks. We transact business throughout the U.S., either directly with clients or through partnerships with independent agents, managing general underwriters and select wholesale brokers.
